

EXCLUSIVE INVITATION

Your personal invitation to discover the world of our products – Emervel and Azzalure.

Galderma Spirig manufactures and markets pharmaceutical products of the highest calibre and takes its responsibility of being a multinational pharmaceutical company very seriously. We feel it is vitally important that you, as a valued customer, are trained to use our products at the highest possible level.

Throughout Switzerland, Galderma Spirig is running a number of exclusive workshops to help doctors to continuously train and provide their patients the best natural outcome by using our portfolio.

The sessions will be run by doctors with lengthy experience with the use of Emervel and Azzalure to ensure an interactive environment where best practice can be shared and discovered.

Places are limited and on a first-come, first-served basis.
